Prayer Garden & Memorial Patio Information

CIRCA 2016

July 2017

To All Banks United Methodist Church Members, Former members, Children and Relatives of members both current and past, Friends and Supporters:

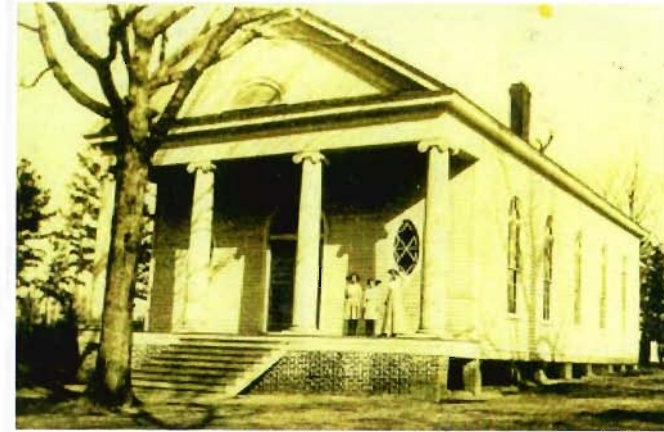

We are all blessed to be in some manner connected to Granville County's oldest active Methodist Church, established in 1762, over 255 years ago.

The membership, both past and current, of Banks UMC has undertaken the expansion of our church facilities to better serve our Lord and our members, while spreading His word to the ever-growing number of persons moving to our neighborhood.

For the past four months, the physical face of Banks UMC has been steadily changing. As we approach the completion of our new Fellowship Hall, we have decided to construct a prayer garden/memorial patio in the front area of the church. This will be a place where all persons with any connection to Banks UMC past, present and future can be honored or memorialized. The patio will be constructed with personally inscribed bricks.

We hope all persons with any connection to Banks UMC will have his/her brick forever be a part of this patio. We further hope many of the saints of our church past and present will have multiple bricks recognizing them.

This is a significant time in the history of Banks UMC. We are prayerfully launching into the future as God's messengers for another 250+ years!

CIRCA 1920

We hope these bricks, priced at \$100.00 each, will allow all those with connections to Banks UMC, and its mission of making disciples of Jesus Christ for the transformation of the world, to be recognized for all time through their inclusion in our endeavor.

We pray for God's blessings upon you as we move forward into God's future together.

God bless everyone touched by this letter.

In Christ's name,

The Banks United Methodist Church Building Committee
